My dear Sir,

Re Mr. T.Bava Rao's application for 3 months privilege leave.

.....

The accompanying file which I request you will peruse and kind-ly return, will show that I have from the beginning set my face against such applications from transfered officers unless based on urgency or on medical grounds. Bava Rao saw me a few days ago and I gave him a bit of my mind. Here however is a cirtificate from a medical officer (Mr. T.S.Nanjappa) whom we cannot possibly distrust. I wish our medical officers were more sparing in their grant of certificates. The situation as it is has to be faced. We cannot ask an officer requiring a change or rest on medical grounds, to forego his privilege leave on full pay and to take leave on medical cir-tificate on half pay instead. Nor can we ignore the Doctor's certi-ficate and decline to give the leave earned. Could you not there-fore reconsider please the proposals you have made in your letter of the 29th/31st March 1902? I am not sure that a novice like him can be of much use in connection with the ensuing auction sales or that your

Dept cannot get on for a short time without the services either of himself or of any other new officer. I am only bothered about the medical cirtificate which we are all bound to act upon. Otherwise I have no sympathy with Rava Rao.

Yours very sincerely,

"Signed". C.Sreenivasiengar.

My dear Sir,

I should feel bound to do my best to meet your views even in the matter of Mr Barada's leave I do not approve of his persistence to have the leave on grounds of which he was well aware when he undertook to stick to

his work in London because
of its importance and
usefulness — and by which
with an indispensable
leave for a month
for fifteen days. His
health has not been
down sufficiently. Now I
you are unwilling
to expend the needed
expenses. I shall not
therefore dwell on this

aspect of the case.

Should I may only mention that in my own case five days casual leave on medical certificate by Mr Krishnamurthy Rao immediately a dreary an attack of influenza in Havana was refused.

A better example has each by Mr M. S. Narayana Rao Director Bangalore

Now for Mr Bavadam

a fact that there will
be soon be a change
of Officers very
soon but no Officer
to interest himself
in the preliminaries.
I really am not
sanguine of favr
results – It is true

My dear Srinivas Iyengar

Yes I want you may ask the Dy Comrs of Kadur & Shimoga to depute Mr C D Rama Swamy and the Amildars for Excise sales in their respective Districts - Both of them will work earnestly and will in the interest of the Excise Revenue -

Regarding Baroda
please see Civil Service
Regulations pages 156 & 157.
A medical Board is
contemplated with regard
to the certificates to be
granted to gazetted officers
who should not be
deemed to be asked to carry
out the provisions of
those sections. This
idea had occurred to me

My dear Sir.

Many thanks for your kind letter I have asked the Secretary to request the Dy Comrs of Shimoga and Kadur to temporarily depute for work connected with the approaching Excise Sales, Messrs A. Ananda Rao and C. D. Ramaswamaya respectively. In re Medical Certificates, a strict adherence to Code Rules is certainly desirable. But I am afraid that Bara Rao's present application does not come under articles 443 to 448 which relate to leave on Medical Certificate" presumably of the kind dealt with in Article 218. For Codal purposes this is an application for privilege leave which comes under

under the category of "Short leave" and not for leave on Medical Certificate which comes under that of "long leave". The fact that the application is based on Medical, among other grounds, does not alter the nature of the leave from privilege leave to Medical Certificate leave. If you are pleased to agree in this opinion an order of the kind you have in view may be reserved for another opportunity since other arrangements have been made for the satisfactory piloting of the Excise Sales, Bara Rao Bahadur, I think, be granted the leave about which he is so importunate.

Yours very sincerely

Sir,

With reference to your endorsement No. 5434/1736, dated 4th instant communicating the orders of Government on my application for three months' privilege leave, I have the honor to submit that having had a long run of five years' service (the greater portion of which was on plague duty) since I last took one months leave, I begged to be allowed to take a little breath before I commenced another run I applied for the three months' privilege leave in order to avoid the necessity

of troubling Government for frequent-
leave, and with the idea that it-
will, on the whole, be conducive to
the convenience and interests of
Government; and at the same time
minimise my trouble and expenses
At present the marriages of my
daughters, my own indifferent health
and certain urgent private
affairs all render it desirable that
I should settle these matters once
for all, in order that my attention
may not be disturbed and that I
may return to duty with renewed vigour
and without having to take long
leave again for some years. I knew
that my asking for leave just when
I was transferred from one Department
to another was liable to misconstruction,
but I may remind you that I cleared
the ground on this score by making
a preliminary D.O. reference and
obtaining your kind permission

to

Before he joined he expressly agreed not to apply for more than 15 days casual leave.

to submit my application for the leave

only for 5 days casual leave - on the understanding that no further applⁿ has to be made -

2. I now submit for your perusal and favor of transmission to Government a medical certificate No. A dated 21st instant from the Civil Surgeon of the Kadur District, shewing that I do require rest and change of air with treatment for some months I have been under treatment for some time. but owing to constant travelling, it has not done me much good

If will be better to give him leave on medical certificate if he is unwilling to work

3. I hope that the above circumstances and ~~especially~~ my state of health will along with your sympathetic support induce Government to kindly reconsider their order; — especially as I hear that Mr Nizamuddin Ali Khan does not avail himself of the long privilege leave granted to him I beg to assure you that I would not have troubled

troubled you were it not for real necessity and request you will be so good as to recommend the grant of three months' privilege leave applied for }

4 I am now on a tour preliminary to the coming Excise sales, as ordered by you; and I expect to complete the same by the 14th April 1902. The marriages will be posted to the 30th April, and it will be a great convenience if I could be allowed to avail myself of the leave from about the 15th idem.

I have posted out th... that a re... telegraph ... speed - ... do not fort... forward -

5. If notwithstanding the above representation, Government are not pleased to grant me the above leave, I beg you will be so good as to recommend and obtain for me at least one month's privilege leave

which

I repeat I cannot spare him more than 15 days without prejudice to work.

which though just sufficient for the marriages, will not enable me to recoup my health or settle my private affairs
